THE TRIBUNE IS THE  
WORLD'S GREATEST  
NEWSPAPER**

**CHICAGO TRIBUNE  
PROTECTS LIVES WITH  
FIRE SPRINKLERS**

The landmark Tribune Tower is not required to have fire sprinklers but the Tribune Company is installing them anyways. After years of reporting fire tragedies, the Tribune knows protecting the lives of the people in the Tower is too important to put off.

The Northern Illinois Fire Sprinkler Advisory Board salutes the Tribune Company for its vision and dedication to the safety of the citizens of Chicago.

To find out more about the life-saving benefits of fire sprinklers, call NIFSAB toll-free at 1-866-264-3722 or visit the "high rise" section of our website.
