Fall Fire Safety Seminar and Trade Show

A major function of the Illinois Fire Inspectors Association is to provide training and education in fire safety and inspections for the Fire Service. The Codes and Standards Committee designs and offers training sessions to meet this objective. Our Fall Safety Seminar is designed for fire inspectors, building inspectors, property maintenance inspectors, engineers, architects and all other safety professionals.

November 15-17, 2006

Location:

**William Tell Holiday Inn
6201 Joliet Road
Countryside, Illinois 60525
Phone:(708)352-1101**

PROGRAM SCHEDULE

Wednesday, November 15, 2006

8:00 a.m. Registration and Trade Show Opens 8:00-4:00 p.m.

8:30a.m. Keynote Address: Jill Morgenthaler, Deputy Chief of Staff of Public Safety. Ms. Morgenthaler will discuss the States role in the area of public safety.

9:20a.m. Mr. Alan M. Carlson, Jessup Manufacturing Co. will discuss the City of New York's local law 26 which requires photoluminescent markings in the stairwells of class E- high rise buildings.

10:00 a.m. Break

10:15a.m. Mr. Dale H. Kolisch, CPCU, ARM from Liberty Mutual Insurance will discuss high rack storage, alterations to the commodity that effect the sprinkler system and negotiating reasonable outcomes.

11:30 a.m. Lunch

1:15p.m. Mr. Richard G. Gann, PhD NIST, U.S. Department of Commerce will explain the development of the low ignition propensity cigarette

2:00p.m. Mr. Bob Ditsch-Door Systems will discuss rated fire door requirements and the annual fire door tests that are required.

2:30 p.m. Break

2:45p.m. Mr. Bob Ditsch from Door systems will continue his session on fire door requirements.

4:00 p.m. End of scheduled programs.

Thursday, November 16, 2006

8:00 a.m. Registration

8:30a.m. - 4:00p.m. Mr. Dan Smits, International Code Council will present an all day session on Special Uses and MixedOccupancy (IBC Chapters 3 &4). These chapters of the ICC codes can be very challenging to the fire inspector. Mr. Smits will address these challenges.

Friday, November 17, 2006

8:00 a.m. Registration

8:30 a.m. Mr. Mike Bartkowski-3M will be here to explain the latest in fire protection of fire rated assemblies.

11:00 a.m. End of scheduled programs. We will convene the monthly meeting of the Illinois Fire Inspectors Association immediately following Mr. Bartkowski's presentation.

The Codes and Standards Committee of the Illinois Fire Inspectors Association would like to thank you

Glenwood: -0- Square Foot commercial threshold and NFPA 13D for new single-family homes

Bridgeview: 2006 International Building and Fire Code

Oakbrook Terrace: -0- Square Foot commercial threshold and townhomes fire sprinkler

Villa Park: 1,500 Square Foot commercial threshold and NFPA 13D for new single-family homes

Palos Hills: -0- Square Foot commercial threshold and NFPA 13D for new single-family homes

60 Communities With -0- Square Foot Sprinkler Ordinances!

On August 9th, NIFSAB assisted Fire Team U.S.A. at the William Tell in Countryside with a Side-By-Side demonstration.

Fire Team USA is a special day and a half informational /training conference on fire protection and the community.

Fire Team USA is about bringing resources to help enhance the fire protection that your community offers. Creating partnerships in the community and working with all stakeholders is important to improving the public policy on fire protection.

Over 54 fire, building and elected officials were in attendance.

Brought to you by
NFSA
Regional Manager
Dan Gengler!

2006 Illinois State Fair

On August 17th and 18th, Lindsay Laycoax, Betty Jo Laycoax, and Danielle Mikel were down at the Illinois State Fair with our Fire Sprinkler Demonstration trailer. During the two days, 15 fire sprinkler demonstrations were conducted for over 400 State Fair visitors.

Not only did families witness how quickly fire can spread but, they also experienced how fire sprinklers can contain and put out a fire.
